PROFESSIONAL EXPERIENCE

Freelance Full-Stack Developer | Self-Employed | 2025 – Present

- Architect and develop custom portfolio and business websites for growing enterprises, translating offline business value into high-impact digital presences.
- Conduct client consultations and requirements gathering to identify digital bottlenecks, successfully driving modern online integration for multiple clients with a 100% on-time delivery rate.
- Build responsive, high-performance web interfaces utilizing React, Next.js, and Tailwind CSS, integrated with secure backend logic.

Parliament (Senate) | Voluntary Service | April 2019

- Arranging and organizing files
- Attending meetings and taking minutes during meetings
- Typing of parliamentary proceedings

Kenyatta National Hospital | Voluntary Service | August 2019

- Taking patients to ward / for surgeries
- Arranging and organizing files
- Assisting in other assigned responsibilities

KEY PROJECTS

Web-Based House Hunting System (University Final Project)

- Engineered a comprehensive housing platform designed to bridge the communication gap between prospective tenants, landlords, and leasing agents.
- Streamlined the property acquisition workflow, drastically reducing the time required for users to locate and secure housing.
- Utilized modern full-stack web technologies to manage property listings, user authentication, and multi-user communication channels.

Client-Side Profit & Loss (P&L) Application | React, Tailwind CSS, Vercel

- Designed and deployed a high-performance financial tracking tool focused on calculation accuracy and a frictionless user interface.
- Optimized state management and component rendering in React to ensure lightning-fast data processing.
- Deployed seamlessly to production via Vercel with continuous integration workflows.

LEADERSHIP, EXTRACURRICULAR & TRAININGS

- Class Representative, Computer Science Class of 2026 (Africa Nazarene University)
- Chairman, Wildlife and Environmental Club (Africa Nazarene University)
- Organizing Secretary, Wildlife and Environmental Club (Africa Nazarene University)
- Foundational Leadership Training & Club Leadership Training
- Personal Abilities: Punctual and reliable, can work without supervision, good written and verbal communication skills, able to work as part of a team.

EDUCATION

Africa Nazarene University | Nairobi, Kenya

Bachelor of Science in Computer Science (Second Class Upper Division)

Graduation Date: July 31, 2026

Honors: Cumulative GPA: 3.684 | Named to the Dean's List for 6 academic terms.

Starehe Boys' Centre and School | Nairobi, Kenya

High School Education (2018 – 2022)

Sony Sugar Complex

Primary Education (2010 – 2017)

INTERESTS & HOBBIES

Community Services, Networking, Physical fitness, Hiking, Camping and Expeditions, etc.

REFEREES

1. John Henry

Senior Lecturer, ANU
